To all East Deer Township Residents:

East Deer Township has enacted a Declaration of Disaster – Related to Covid – 19. This action was not taken as a result of it being present in our Community. There are no known cases of the virus in East Deer Township. This was done at the request of County Emergency Management Department. The reason for their request is that in the event that we must take action and possibly incur costs associated with the virus that we can move quickly and will possibly be able to be reimbursed as a result of a Federal and State Declaration of Disaster.

The Coronavirus matter is rapidly evolving situation. Therefore, East Deer Township will be taking steps to limit the exposure or possible spread of Coronavirus within our Municipal operation. We have no greater responsibility than to protect the health, safety and welfare of our Community.

Anthony Taliani Jr.

President of East Deer Township Commissioners
